LANGUAGE

- English
- Swahili
- Spanish

About Me

I am a versatile and results-driven individual with strong technical skills and proven leadership experience. I have hands-on experience in software development, system logic, and digital projects, combined with the ability to manage teams, organize workflows, and deliver work to completion. I adapt quickly, take ownership of tasks, and work effectively both independently and in collaborative environments.

PROFESSIONAL EXPERIENCE

Sept 2025 - present

Infotrak Limited

Transcriber

- Listened to audio recordings and accurately transcribed content into written text
- Translated selected audio content where required while preserving original meaning
- Produced verbatim and edited transcripts based on project guidelines and quality standards
